Source: DOF, 2017; DOJ, 2017. Notes: Alpine, Mariposa, Plumas, and Trinity counties do not contain cities, so the counties are each categorized as a single jurisdiction. San Francisco, which is both a city and a county, is categorized as a single jurisdiction. The remaining 53 counties contain regions not encompassed by cities, as well as small agencies such as college campus and transportation authority police. These outlying areas are grouped by county and identified as "Balance of County."

**Please note:** Jurisdictions submit their data to the official statewide or national databases maintained by appointed governmental bodies. While every effort is made to review data for accuracy and to correct information upon revision, CJCJ cannot be responsible for data reporting errors made at the county, state, or national level.
